VISA AND SPECIAL STUDY PERMIT

In the Philippines, Student Visas (9F) are issued only to international students who are taking full degree undergraduate or graduate academic programs. These students are categorized as degree-seeking students. On the other hand, non-degree students, or students who are studying temporarily in the Philippines such as exchange students and cross-registrants, are not issued the regular Student Visas (9F). To study in the Philippines for a period less than one year (1 or 2 semesters) they are required however by the Philippine Bureau of Immigration to secure the **TWO** documents below:

What documents are needed?

When and where to apply?

① **Temporary Visitor's Visa (9A)**
[See Bureau of Immigration information](#)

- Before leaving for the Philippines
- At the Philippine Embassy
in student's country of origin

② **Special Study Permit (SSP)**
[See Bureau of Immigration information](#)

- Upon arrival in the Philippines
- At Ateneo's Office of
International Relations

International students will also need to extend their Visitor's Visa at the Bureau of Immigration every two months for the length of their stay in the Philippines and pay the corresponding extension fees. A 5-month stay in the Philippines might require 2 -3 visa extensions. See page 11 for estimated cost for Visa and SSP.

NOTE: Without the SSP, international students will NOT be allowed to enroll or register for classes in Ateneo de Manila University.

APPLYING FOR VISA AND SPECIAL STUDY PERMIT

BEFORE DEPARTURE TO THE PHILIPPINES

HOW TO APPLY FOR A TEMPORARY VISITOR'S VISA

① After receiving the **Certification of Eligibility to Study (COES)** from Ateneo's OIR, the international student shall apply for a **59-day multiple entry temporary visitor's visa** at the nearest Philippine Embassy of his/her country of origin.

② The international student will present the **COES** to the Consular Section of the Philippine Embassy together with the completed application form for the Visitor's Visa which can be downloaded at Embassies' respective websites.

③ All international students are strongly suggested to apply for the 59-day multiple-entry visa to give time for the urgent processing of the SSP. Securing the multiple entry visa is also strongly encouraged in view of possible travels made in and out of the Philippines for the duration of the program.

④ Foreign nationals from countries classified as non-restricted by the Philippine Bureau of Immigration do not actually need to apply for a Temporary Visitor's Visa. They are given a 30-day single entry visitor's visa upon entering the country as long as they have a round-trip ticket and a passport valid at least 6 months after their intended day of departure. Visitors from the following countries, however, must secure a Temporary Visitor's visa:

[List of Restricted Countries](#)

UPON ARRIVAL IN THE PHILIPPINES

HOW TO APPLY FOR A SPECIAL STUDY PERMIT (SSP)

① International students are required to attend to their SSP application a day after arrival in Manila. Students are given only 2-3 days after arrival in order to apply for it.

② International students are requested to visit the Office of International Relations to submit a photocopy of their stamped visa page. After which, they shall fill out the application form for their Special Study Permit (SSP). Students shall pay the required Bureau of Immigration (BI) processing fee to the ADMU cashier.

③ International Students should NOT leave the Philippines and go on travels for the first two consecutive weeks after arrival. This is to ensure completion of the processing of the SSP.

④ The following requirements must be submitted to the OIR Visa Officer:

- The original passport
- 2 photocopies of the arrival-stamp page in the passport
- Php 7,840.00 Processing Fee (which includes the ACR I-Card, Express Lane Fee and the actual SSP)
- 2 PIECES - 2"x2" ID Photos (white background, no eyeglasses)

VISA EXTENSIONS

Visa Extension Processing

- There are 2 options in doing the visa extension:
1st option:
The international student requests the OIR to have the visa extended and processed.
2nd option:
The international student directly processes the extension of the visa at the Bureau of Immigration.
- Should the international student opt for the OIR to process the extension, the International Student will need to come to the OIR 10 days before the visa expires. It is not the responsibility of the OIR to track visa expirations of the international students.
- The OIR will not process the visa if 3-4 remaining days are left prior to its expiry.

Important Notes

- Make sure that the Temporary Visitor's Visa is not expiring yet at the time of filing the SSP. The SSP must be filed / applied for at least 2 weeks before it expires.
- The processing of the SSP usually takes 1-2 weeks with the Philippine Bureau of Immigration (BI). However, the photocopy of the SSP receipt may be issued by the Philippine BI as soon as applied for by the OIR Visa Officer.
- The photocopy of the SSP receipt issued by the BI temporarily serves as guarantee for the ADMU Registrar to know that the SSP is being processed.
- The Temporary Visitor's Visa (9A) has nothing to do with the SSP and vice versa. The Visitor's Visa is necessary for your stay in the country while the SSP is necessary so you could study in the Philippines.
