CEO@FACULTY

Forum talk

Participation

Industrial sector as part of the national higher education system through sharing of experiences and expertise

Quadruple

HLLs moves from academia operating in isolation to the quadruple helix of academia, industry, government and local communities by coming together in partnership for incubation, development and commercialization of ideas.

Integration

Realize the integration and synergy between the industry experts with university researchers and students

Role Model

CEO as an icon for students and able to improve the existing curriculum through the sharing of knowledge, experiences and best practices

Employability

Enhancing student learning experience and reducing the mismatch in the supply and demand

Multi-track

Attract, recruit and retain the best talent especially from the industry practitioners by having multi-track career pathways

2u2i

- Sep 2016: Six programmes
- Sep 2017: Twenty-one programmes
- UMT
 - Bachelor of Accounting (2u2i)
 - Teaching Accounting Firm (TAF) in campus
 - Five WBL subjects
- HEI-ACCA (3u1i)
 - Full-time with ACCA approved employers.

NORTH SEATTLE COLLEGE
One of the Seattle Colleges

ALC COLLEGE
CREATING FUTURE LEADERS

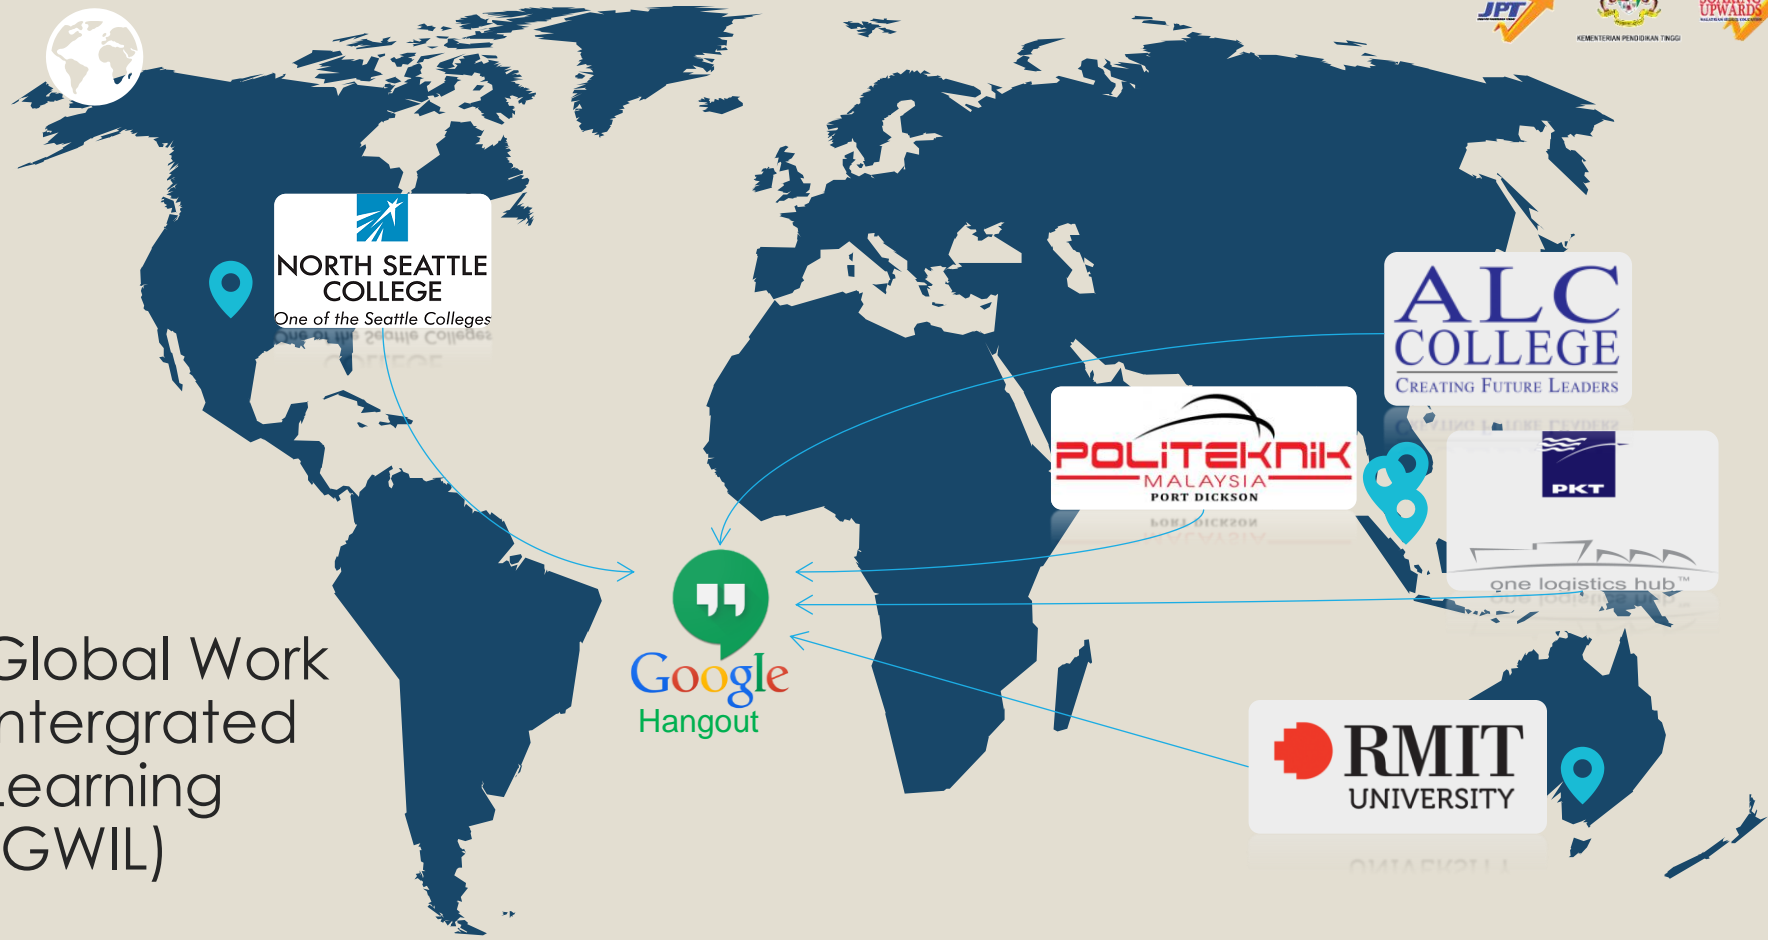

POLITEKNIK MALAYSIA
PORT DICKSON

PKT
one logistics hub™

RMIT UNIVERSITY

Google Hangout

Global Work Intergrated Learning (GWIL)

WBIL

- Five institutions; Three different programmes (Accounting, Logistics, IB); Four countries; One industry
- HOW?
 - **Real case study** by industry
 - Student formulate **solution**
 - Communication– **video conferencing/messaging/email**
- CASE STUDY?
 - The impact on costing, fleet and environment by moving Penang operations from Butterworth and Kulim to OAH (One Auto Hub) Batu Kawan

Outcomes

- Students gained real world experience
- Students gained key skills in working collaboratively on an international project
- Students learned effective international project management skills and built their cross-cultural capabilities
- Students produced a real plan and outcomes for a real client by working internationally as a group
- Improve resume and employment options

Challenges

- 60,000 chartered accountants by 2020
- MIA newly elected President (Star Online 7 Sep 2017)
- “...accountants are facing a paradigm shift in their roles and the way they do things”...“MIA is paying close attention to technology disruption that was taking place in the accountancy profession”
- ...a rising demand for tech-savvy accountants.
